# LICENSING RECORD CLEARANCE REQUEST INSTRUCTIONS

The purpose of this form is to:

1. Produce a Department of State Police check regarding the possible existence of a conviction record.
2. Produce a Michigan Department of Health and Human Services Central Registry File check regarding the possible existence of a substantiated child abuse or neglect record.
3. Produce a Division of Child Welfare Licensing (DCWL) files check against current or previous licensee status of the applicant in any county of the state.

The existence of a conviction record does not necessarily disqualify an applicant for licensure. However, it does provide DCWL and the child placing agency with information, which will be carefully evaluated by licensing staff.

**A failure on the part of an applicant to provide DCWL with accurate and truthful information and the authorization requested on this form may be sufficient cause to deny issuance of a license or certificate of registration.**

- I am aware that Michigan Department of State Police Records will be checked for information regarding criminal convictions under authority of the Child Care Organizations Act 116 of 1973.
- I am aware that the Michigan Department of Health and Human Services Central Registry will be checked for information concerning substantiated child abuse and neglect.
- I certify that the information I have given on the form is, to the best of my ability, true and correct.
- The Department may perform this check at any time while I am household member.

The Michigan Department of Health and Human Services (MDHHS) does not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, genetic information, sex, sexual orientation, gender identity or expression, political beliefs or disability.
