KENT COUNTY JUVENILE DETENTION

Kent County Juvenile Detention depends upon donations from parents, community members, and businesses to provide the best atmosphere for our residents. Without the proper materials and resources, the Detention Center cannot operate as intended. We provide our residents with opportunities for physical activities indoors and outdoors. Proper clothing and equipment are essential in promoting an active and healthy lifestyle.

With your help and others like you, Kent County Juvenile Detention Center can continue to provide an environment where learning and positive interaction are easily accomplished.
